EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ben Castel on March 7th, 2005.

The application has been amended as follows:

In claim 28, line 37, "the" has been deleted and - - an- - has been added after *comprising and before interior first tube* in the body of the claim.

Statement of Reasons for Allowance

Claims 9-28 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found was a microdialysis probe having a first tube, a distal end portion of a membrane mounted over an exterior surface of the first tube, a position indicating object inserted into the distal end of the first tube, and a space defined by and located between an exterior of the first tube and an interior surface of the membrane, as well as two additional tubes located in a proximal end piece and forming an inlet and an outlet from the probe for perfusion liquid

to pass in combination with the other elements (or steps) in the claims. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
